

Minutes for NSBE General Meeting on October 4, 2007

- I. Icebreaker
 - a. none

 - b. Paris, Derrick, and Pranay
 - Retention of Engineers in College: Are we moving in the right direction?

The just of the whole meeting was to inform members of how to study more efficiently and discuss why so many of our counterparts fall by the way side in obtaining a degree in engineering. If someone didn't receive the handouts and would like a copy please be sure to contact Tiffany Chatman at secretary@uhnsbe.org. She would be more than happy to provide you with that information!
